

## **Live Streaming information**

As you may be aware, there are several swimming meets that are live streamed online. This ranges from County meets, Regional meets and National meets. As a club we strive for excellence and look to always provide a fantastic experience for all swimmers who attend our meets. We want our meets to be memorable, and it's on this basis we have looked at how we can take them to the next level. We are therefore very excited to advise that we have taken the decision to live stream our meets for the foreseeable future.

The Bobcat swim meets will be live streamed and will be available to view via YouTube. The link details to view the stream will be provided closer to the meet date and will be available on our website at: <https://uk.teamunify.com/team/bbsq/page/competition/bobcats-open-meets>

All parents/guardians/coaches and all swim clubs attending our meet have agreed to allow all their swimmers to appear on the live stream and have been advised where our livestream events will be published. Details of your data protection rights are also included here:

<https://uk.teamunify.com/OrganizationPrivacyPolicy.jsp?team=bbsq>

If anyone wishes to oppose the live streaming of their swimmers, we advise to opt out of entering the meet. We will not be able to edit the livestream once it has been uploaded online. There will be no refunds for withdrawals for this reason once entries have been submitted.

Additionally, the stream will also remain online to view once the swim meet has concluded. The stream/video will be controlled by Burnley Bobcats and our team, and as meet organisers we reserve the right to remove the stream from the internet should we feel necessary. This will be at the discretion of Burnley Bobcats swim club and the meet organisers. Should anyone have any concerns or questions in relation to this data privacy then please contact us

We strive to ensure that our online events are held safely without technical hitches however it is impossible to eliminate these completely, so we apologise in advance should there be any disruptions.

We hope everyone attending our meets are as thrilled as we are with us being able to do this. We are confident that this will enhance our meets even further and will allow swimmers to watch and support their peers and allow them to rewatch their races, show their friends and families their achievements and be proud of what they have done.

Many thanks

Burnley Bobcats Committee
